

§ 1.852-8 Information returns.

Nothing in §§ 1.852-6 and 1.852-7 shall be construed to relieve regulated investment companies or their shareholders from the duty of filing information returns required by regulations prescribed under the provisions of subchapter A, chapter 61 of the Code.

§ 1.852-9 Special procedural requirements applicable to designation under section 852(b)(3)(D).

(a) *Regulated investment company*—(1) *Notice to shareholders.* (i) A designation of undistributed capital gains under section 852(b)(3)(D) and paragraph (b)(2)(i) of § 1.852-2 shall be made by notice on Form 2439 mailed by the regulated investment company to each person who is a shareholder of record of the company at the close of the company's taxable year. The notice on Form 2439 shall show the name, address, and employer identification number of the regulated investment company; the taxable year of the company for which the designation is made; the name, address, and identifying number of the shareholder; the amount designated by the company for inclusion by the shareholder in computing his long-term capital gains; and the tax paid with respect thereto by the company which is deemed to have been paid by the shareholder.

(ii) In the case of a designation of undistributed capital gains with respect to a taxable year of the regulated investment company ending after December 31, 1969, and beginning before January 1, 1975, Form 2439 shall also show the shareholder's proportionate share of such gains which is gain described in section 1201(d)(1), his proportionate share of such gains which is gain described in section 1201(d)(2), and the amount (determined pursuant to subdivision (iv) of this subparagraph) by which the shareholder's adjusted basis in his shares shall be increased.

(iii) In determining under subdivision (ii) of this subparagraph the portion of the undistributed capital gains which, in the hands of the shareholder, is gain described in section 1201(d)(1) or (2), the company shall consider that capital gain dividends for a taxable year are made first from its long-term capital gains for such year which are not

described in section 1201(d)(1) or (2), to the extent thereof, and then from its long-term capital gains for such year which are described in section 1201(d)(1) or (2). A shareholder's proportionate share of undistributed capital gains for a taxable year which is gain described in section 1201(d)(1) is the amount which bears the same ratio to the amount included in his income as designated undistributed capital gains for such year as (a) the aggregate amount of the company's gains for such year which are described in section 1201(d)(1) and designated as undistributed capital gains bears to (b) the aggregate amount of the company's gains for such year which are designated as undistributed capital gains. A shareholder's proportionate share of gains which are described in section 1201(d)(2) shall be determined in a similar manner. Every regulated investment company shall keep a record of the proportion of undistributed capital gains (to which this subdivision applies) which is gain described in section 1201(d)(1) or (2).

(iv) In the case of a designation of undistributed capital gains for any taxable year ending after December 31, 1969, and beginning before January 1, 1975, Form 2439 shall also show with respect to the undistributed capital gains of each shareholder the amount by which such shareholder's adjusted basis in his shares shall be increased under section 852(b)(3)(D)(iii). The amount by which each shareholders' adjusted basis in his shares shall be increased is the amount includible in his gross income with respect to such shares under section 852(b)(3)(D)(i) less the tax which the shareholder is deemed to have paid with respect to such shares. The tax which each shareholder is deemed to have paid with respect to such shares is the amount which bears the same ratio to the amount of the tax imposed by section 852(b)(3)(A) for such year with respect to the aggregate amount of the designated undistributed capital gains as the amount of such gains includible in the shareholder's gross income bears to the aggregate amount of such gains so designated.

(v) Form 2439 shall be prepared in triplicate, and copies B and C of the form shall be mailed to the shareholder
